"BE GOPHER GREAT" is the pursuit of excellence in all we do. It represents a commitment to continuous improvement of oneself and the uplifting of those around us. It carries a responsibility to make a difference in the Prairie community and beyond. As we pursue excellence, we embrace the journey as being as important if not more important than the destination. We support and encourage all students and staff to ***"BE GOPHER GREAT!!"***

Take a few minutes each day in November to participate in our "30 Days of Gratitude" on Twitter. We will post a question each day and welcome your responses. This is a great way for you to take pause, do a little self-reflection, and realize that no matter how bad your day may seem, there are so many things to be grateful for.
